

THE LIGHTNING OF THE LORD!

Psalm 144:6-9 (TPT) – *Loose Your fiery lightning flashes and scatter your enemies. Overthrow them with Your terrifying judgements.*

Reach down from your heavens and rescue me from this hell, and deliver me from these dark powers.

They speak nothing but lies; their words are pure deceit. Nothing they say can ever be trusted. My God, I will sing You a brand new song! The harp inside my heart will make music to You!

Psalm 144:6-9 (AMPC) – *Cast forth lightning and scatter my enemies: send out Your arrows and embarrass and frustrate them.*

Stretch forth Your hand from above; rescue me and deliver me out of great waters, from the hands of hostile aliens and tribes around me whose mouths speak deceit and whose right hands are right hands raised in taking fraudulent oaths. I will sing a new song to You, O God: upon a harp, an instrument of ten strings, will I offer praises to You.

Psalm 144:6-9 (Message) – *Hurl Your lightnings in every direction; shoot Your arrows this way and that.*

Reach all the way down from sky to sea; pull me out of the ocean of hate, out of the grip of those barbaians who lie through their teeth, who shake your hand and then knife you in the back.

O God, let me sing a new song to you,

NOTE: - Always start with verses 1-2, or take it through to verse 5 – be led by the Holy Spirit.

Before entering spiritual warfare, ensure that you are forgiven from all sins and you are right in God's sight. All forgiveness has been released. All resentment and anger are gone. You are pure and righteous in God's sight through the blood of Jesus Christ. This is really important.

When praying these prayers, be led by the Holy Spirit and ask Him which translation of the bible to use. As you can see from above, they can vary and you will find one that is suited to your situation. Stand in the presence of the Lord of Hosts and ask for the appropriate weapon for your battle.

This is when people are speaking lies and deceptions about you, your business or ministry and even in court cases (hands raised in taking oaths). This is for situations when there is hate on all sides.

This is for those times when it seems like this hell of dark powers swirling around you will never stop.

Lightning is fierce and fiery and can be seen for miles around – in the spiritual realm the lightning of the Lord is the same kind of fierce, fiery and visible weapon. People struck by lightning can die. It is devastating in its power. Accurate in its grounding. Freedom is released from deception, lies and dishonest intrigue.
